

Attack of the Silly Book Covers!

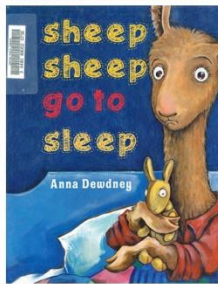

Every one of these book covers has one or more things wrong with it.

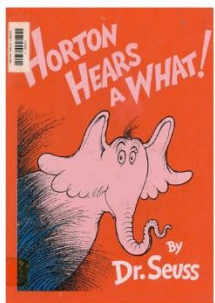

Can you write the correct book title next to the book's picture?

Silly Cover Stories

Take a look at the Silly Covers that we have on display.

Do any of the covers inspire you to write a silly story to match the cover?

Please take this sheet of paper and create a story based on your favorite cover. You can even add your own illustrations!
